RE: PUC Docket No. 51023; SOAH Docket No . 473- 21- 0247 - *Application of the City of San Antonio To Amend its Certificate of Convenience and Necessity for the Scenic Loop 138-kV Transmission Line in Bexar County*

Dear Judges Vandrovec and Shenoy:

In the Prehearing Conference in this docket on April 30, 2021, the Administrative Law Judges (ALJs) required CPS Energy to review certain parties on the service list that did not file direct testimony or a statement of position. Consistent with this requirement, the intervenors listed below have not filed either testimony or a statement of position as required in this case:

Bensberger, Mary E.
Centeno, Barbara and Ernie.
Olivarez, Richard
Reed, Jordan K. and Donna K.

Additionally, the following parties did not file a testimony or a statement of position, however they each filed a “First Supplement to Motion to Intervene and Response to Bexar Ranch, LP’s Motion for Clarification.” These motions indicated that the individuals were part of the Anaqua Springs Ranch Homeowner’s Association (ASRHOA). Because the Anaqua Springs Homeowner’s Association submitted testimony in this proceeding, CPS Energy was under the assumption that that testimony was submitted on behalf of these individuals, but requests that the ALJs seek clarification from Anaqua Springs Homeowner’s Association on whether they represent these individuals:
