12 **REQUEST FOR ORAL CLOSING STATEMENT**

13 The collective pro se intervenors that live in the Serene and Scenic Hills Estates subdivision would like to  
14 request that a pro se intervenor, Yvette Reyna, make an oral closing statement on behalf of us all. After hearing the  
15 opportunities that the other counsels were provided to introduce their witnesses and panels, we would respectfully  
16 request that we be afforded the same opportunity to highlight our collective position and the issues that affect us and  
17 our subdivision.

18 Respectfully submitted for the court's consideration,
