SOAH Docket No. 473-21-0247

Errata to Patrick Cleveland's Exceptions to the  
Proposal for Decision

10 I, Patrick Cleveland, respectfully submit this Errata to Patrick Cleveland's Exceptions to  
11 the Proposal for Decision in the above titled and numbered case in order to correct an inaccuracy  
12 that's been identified as follows:  
13

14 Exception 3(d) incorrectly stated that Route Z2 affects 37 habitable structures. As  
15 pointed out by CPS Energy, the correct number is 32. This was a mistaken entry by me. The  
16 corrected paragraph 3(d) should state:  
17

18 Route Z2 does not meet the Commission's standards of prudent avoidance as it affects 32  
19 habitable structures, while Routes P and R1 affect 17 and 13 respectively. In addition, Routes P  
20 and R1 are in the top ten most favorable routes with respect to how many properties the route  
21 affects based on the analysis in Patrick Cleveland's Direct Testimony.

22 Thank you.
