**ORDER NO. 2  
FINDING APPLICATION INSUFFICIENT,  
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses the administrative completeness of the application of the City of Pharr and the City of San Juan filed on July 29, 2020, for approval of a service area contract under Texas Water Code § 13.248 and to amend sewer certificates of convenience and necessity (CCN) in Hidalgo County.

The administrative law judge finds the application is administratively incomplete and insufficient for further review in accordance with 16 Texas Administrative Code (TAC) § 24.8(b).

Under 16 TAC § 24.8(d), the Commission does not consider an application filed until it finds the application administratively complete. Thus, at this time the application is not considered filed with the Commission.

By September 14, 2020, the applicants must supplement the application to cure the deficiencies described in Alicia Maloy's August 31, 2020 memorandum. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

By October 14, 2020, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 1st day of September 2020.
