New Boston, Texas 75570

RE: Notice Pursuant to Texas Water Code §13.255

Dear Mr. Hignight:

The City of New Boston hereby provides notice of its intent to provide retail water service to customers not currently being served and located within the four properties identified on the attached map and labeled Annexed Parcels A, B, C and D (the "Annexed Parcels"). As you are aware the Annexed Parcels are now located within the city limits of the City of New Boston. This is a notice pursuant to Texas Water Code § 13.255 and 16 TAC § 24.229(c) regarding intent to serve.

We recognize that this proposed extension of service may entitle the Central Bowie County WSC to compensation based upon factors set forth in Texas Water Code §13.255(g). We would welcome the opportunity to meet with you, or your designated representatives, to discuss these potential impacts and appropriate compensation.

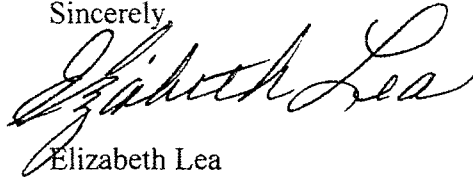

Please feel free to contact me or Leonard H. Dougal, the attorney representing us in this matter if you would like to schedule a meeting, or if you have questions regarding this matter. Leonard can be reached at 512-236-2233 or ldougal@jw.com.

September 29, 2020

We look forward to hearing from you.

Sincerely,

Elizabeth Lea
City Administrator
