PUBLIC UTILITY COMMISSION INC.

COMMISSION STAFF'S REQUEST FOR AN EXTENSION

COMES NOW the Staff (Staff) of the Public Utility Commission of Texas (Commission), representing the public interest, and files this Request for an Extension. In support thereof, Staff would show the following:

I. BACKGROUND

On August 13, 2020, Colorado River Project, LLC (CRP) filed a petition to amend SWWC Utilities, Inc. dba Hornsby Bend Utility's (Hornsby Bend) certificates of convenience and necessity (CCNs) in Travis County by streamlined expedited release. CRP seeks the expedited release of the portion of the 2,122.27 acres owned by CRP that lies within the boundaries of Hornsby Bend's water CCN number 11978 and sewer CCN number 20650.

In Order No. 1, issued August 17, 2020, Staff was directed to file a recommendation on sufficiency of the application by September 14, 2020. Therefore, this pleading is timely filed.

II. REQUEST FOR AN EXTENSION

Pursuant to 16 Texas Administrative Code (TAC) § 22.4(b), Staff may request that the time allowed for filing any documents be extended for good cause. Staff has been working with CRP in order to ensure that all necessary information for Staff's review was properly filed with the Commission. The mapping documents necessary for Staff's review were filed on September 9, 2020. Accordingly, Staff requires additional time to review all mapping documents and to prepare and file a recommendation on sufficiency of the petition. Staff respectfully requests the entry of an order extending the deadline for Staff to provide a recommendation on sufficiency of the application to September 28, 2020.

III. CONCLUSION

Staff respectfully requests the entry of an order consistent with the above request for an extension.

Date: September 11, 2020

Respectfully Submitted,

**PUBLIC UTILITY COMMISSION OF TEXAS
LEGAL DIVISION**

Rachelle Nicolette Robles
Division Director

Eleanor D'Ambrosio
Managing Attorney
