PUBLIC UTILITY COMMISSION
FILING CLERK

March 26, 2021

VIA E-FILING

The Honorable Hunter Burkhalter
Administrative Law Judge
Public Utility Commission
1701 N. Congress Ave.
Austin, Texas 78711-3326

Re: *Petition of Colorado River Project, LLC to Amend SWWC Utilities, Inc. dba
Hornsby Bend Utility's Certificate of Convenience and Necessity in Travis County
by Expedited Release*; PUC Docket No. 51166

Dear Judge Burkhalter:

Colorado River Project, LLC ("CRP") has sought clarification of the deadline for filing the appraisals in a streamlined expedited release process. CRP notes that SWWC Utilities Inc.'s appraisal was filed on March 26. However, to be clear, CRP's valuation report was also filed on March 26.

CRP electronically filed its valuation report at 4:58 p.m. on March 25, according to the attached email received by counsel. Pursuant to 16 Tex. Admin. Code § 22.71(h), a document must be filed by 3:00 p.m. on the date due. Consequently, CRP's valuation report was filed on March 26 as well.

Because both parties have engaged experts and filed their reports on March 26, pursuant to 16 Tex. Admin. Code §§ 22.5(b) and 24.5, SWWC Utilities Inc. requests that a good cause exception be granted to 16 Tex. Admin. Code § 24.245(i)(4) and allow both parties' reports to be considered so that justice may be done.

Sincerely,

Lambeth Townsend
Attorney for SWWC Utilities, Inc. d/b/a Hornsby
Bend Utility Company, Inc.

3176/23/8217323
