**ORDER NO. 11  
GRANTING COMMISSION STAFF'S MOTION FOR AN EXTENSION**

This Order addresses Commission Staff's April 22, 2021, motion to extend the time to file its appraisal report required by 16 Texas Administrative Code (TAC) § 24.245(i)(2)(B). Colorado River Project, LLC has filed an interim appeal of Order No. 10. The interim appeal remains pending. The question of whether Commission Staff must file an appraisal report is contingent on how the Commission rules on the interim appeal. For this reason, Commission Staff asks for an extension of the deadline to file its appraisal report.

The administrative law judge grants Commission Staff's motion. If the Commission rules on the interim appeal in a way which would mean that Commission Staff must proceed to file an appraisal report, then the deadline for the report is hereby extended to 30 days after the date the Commission rules on the interim appeal.
