ORDER NO. 8
RESTYLING DOCKET AND ADMITTING EVIDENCE

This Order addresses the need to restyle this proceeding and the August 16, 2021 joint motion to admit evidence filed by the parties.

I. Restyling this Proceeding

The application filed on August 19, 2020, and amended application filed on January 25, 2021, reflects the transferor of the retail public utility as Lula Mae Heiligmann – Whispering Oaks Water Works. Additionally, the Texas Commission on Environmental Quality investigation report and the last will and testament of Erven Heiligmann indicate that the Ms. Heiligmann is the proper named party. Accordingly, the docket is restyled as reflected in this Order.

1. The application and all attachments filed on August 19, 2020;
2. The applicants' supplemental mapping information filed on August 25, 2020;
3. MiBroMa 3 LLC's supplemental documentation filed on November 19, 2020;
4. The applicant's supplemental information filed on January 20, 2021;
5. The applicants' amended application filed on January 25, 2021;
6. Commission Staff's second supplemental recommendation on administrative completeness and proposed procedural schedule filed on January 29, 2021;
