**ORDER NO. 2  
FINDING APPLICATION INCOMPLETE AND DEFICIENT,  
AND ESTABLISHING AN OPPORTUNITY TO CURE**

This Order addresses the August 19, 2020 application of Sunset Water System and Whispering Oaks Water Works and MiBroMa 3 LLC for approval of the sale, transfer, or merger of facilities and certificate rights in Gillespie County. The applicants filed supplemental mapping information on August 25, 2020.

The administrative law judge finds the application administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before October 19, 2020, the applicants must supplement the application to cure the deficiencies as described in the September 21, 2020 memorandum of Alicia Maloy. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicants must not issue notice until the application is deemed administratively complete.

On or before November 19, 2020, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.
