RE: Docket No. 51279 – *Application of Green Acres MHP-Riverview Estates for a Class D Rate Adjustment*

Dear Ms. Lopez,

On September 14, 2020, Green Acres MHP-Riverview Estates (Applicant) filed an application for a Class D rate adjustment with the Public Utility Commission of Texas (Commission). In order to complete Staff's review of the application, Staff requests additional information. Specifically, Staff requests that the Applicant submit an updated proposed notice that corrects following deficiencies:

- Staff notes that the "NOTICE OF APPROVED UTILITY ANNUAL RATE ADJUSTMENT" submitted with the application on September 14, 2020 was missing page 2 of 3. Specifically, this is the page that provides a table comparing the "Previous Minimum Monthly Charge" with the "New Minimum Monthly Charge" for Water. Please complete and file the missing page of the notice.

Please do not implement the rate increase or provide notice of the rate increase to your customers until the Commission indicates that your application has been approved.

In order to ensure timely review of your application, please electronically file the additional information requested above using the Commission's electronic filing system no later than 10 business days from the date this letter is filed. Please do not email any information directly to me. If you have any questions, please contact me at (512) 936-7277 or email me at John.Harrison@puc.texas.gov.

Sincerely,

John Harrison
