**APPLICATION OF GREEN ACRES § PUBLIC UTILITY COMMISSION**  
**MHP- RIVERVIEW ESTATES FOR A §**  
**CLASS D RATE ADJUSTMENT § OF TEXAS**

**ORDER NO. 2**  
**FINDING APPLICATION ADMINISTRATIVELY**  
**COMPLETE AND REQUIRING NOTICE**

This Order addresses the September 14, 2020 application of Green Acres Mobile Home Park-River Estates application for a Class D rate adjustment. On September 23, 2020, Green Acres filed supplemental information. On October 14, 2020, Commission Staff filed its recommendation on administrative completeness and notice and proposed a procedural schedule for continued processing.

Green Acres, in its original application and supplemental application did not propose an effective date for the rate change and rather left it “to be determined.” As Green Acres has not proposed an effective date for the approved increase, Commission Staff recommended January 3, 2021, be set as the effective date.

The administrative law judge finds Green Acres application administrative complete and accepted for filing under Texas Water Code § 13.1872 and 16 Texas Administrative Code (TAC) § 24.49. Green Acres is directed to provide notice consistent with Commission Staff’s recommendation, and as described in the memorandum of Spencer English, by using the provided forms.

The following proposed procedural schedule applies in this docket for further processing:

Event	Date
Deadline for Green Acres to provide notice to customers	December 4, 2020
Effective date of approved increase	January 3, 2021

Signed at Austin, Texas the 19 day of October 2020.
