PUBLIC UTILITY COMMISSION

OF TEXAS

**ORDER NO. 2
FINDING APPLICATION ADMINISTRATIVELY
COMPLETE AND ACCEPTED FOR FILING**

This Order addresses Commission Staff's recommendation, filed on October 15 and 16, 2020, regarding the administrative completeness of K & K Water Company's application. Commission Staff recommended that the application be found administratively complete and accepted for filing. Commission Staff recommended that, in order for the notice to comply with Texas Water Code § 13.1872(c)(1), K & K Water should be required to issue notice at least 30 days before the effective date established in the Commission's order approving or modifying K & K Water's application.

The administrative law judge (ALJ) finds K & K Water's application administratively complete and accepted for filing. The ALJ establishes an effective date of the rate increase of December 1, 2020.

Under 16 Texas Administrative Code § 24.49(e), K & K Water is required to provide notice to each ratepayer after it receives a written notice of approval issued by the Commission and at least 30 days before the effective date of the proposed rate change. Because the notice of approval has not yet been issued, the ALJ instructs K & K Water not to provide notice to ratepayers until the notice of approval is issued in the present docket.

Signed at Austin, Texas the 19th day of October 2020.
