**NOTICE OF FILING UNDER  
TWC § 13.257(r) & (s)**

COMES NOW, G & W Water Supply Corporation (“G & W”) and files this Notice of Filing Under TWC § 13.257(r) & (s), and in support show the following:

**I. BACKGROUND INFORMATION**

On September 21, 2020, G&W and Kickapoo Fresh Water Supply District (Kickapoo) (collectively “Applicants”) filed with the Public Utility Commission of Texas (PUC), an application for sale, transfer, or merger of facilities and certificate rights in Waller County (the “Application”). Specifically, G&W, holding CCN number 12391, seeks approval to acquire facilities and to cancel Kickapoo’s CCN service area under water CCN number 13204. Kickapoo and G&W currently have dual certification over the entirety of Kickapoo's CCN service area. G&W's current CCN encompasses Kickapoo's CCN area and extends beyond it.

On February 25, 2021, the Administrative Law Judge (“ALJ”) issued Order No. 5 admitting evidence. Order No. 9 issued on August 5, 2021, found that the closing documentation was sufficient. Order No. 11 admitting supplemental evidence was issued on October 26. The November 2 notice of approval requires G & W to file proof that it has recorded the necessary documents in the property records of Waller County as provided in Texas Water Code sections

13.257(r) and (s) and to file with the Commission proof of filing within 45 days; therefore, this submittal is timely filed.

## **II. NOTICE OF FILING**

Proof of recording is attached and incorporated herein.

Respectfully submitted,
