TARIFF CONTROL NO. 51358

2020 OCT 28 AM 9:29

**APPLICATION OF SWWC UTILITIES, §
INC. DBA HORNSBY BEND UTILITY §
COMPANY FOR A PASS THROUGH §
RATE CHANGE**

**PUBLIC UTILITY COMMISSION
OF TEXAS**

REQUIRING CLARIFICATION FROM COMMISSION STAFF

This Order addresses the need for clarification from Commission Staff regarding its October 23, 2020 recommendation on the application and notice.

In his memorandum attached to Commission Staff's October 23, 2020 recommendation, Spencer English, of the Rate Regulation Division, recommends, among other things, that the applicant be ordered not to implement the pass-through rate increase until a final order is issued in Tariff Control No. 51358.¹ However, Commission Staff's filing does not address Mr. English's recommendation on this point.

By November 3, 2020, Commission Staff must clarify whether it is recommending that the applicant be ordered not to implement the pass-through rate increase until the Commission issues a final order in Tariff Control No. 51358. If Commission Staff is recommending this course of action, Commission Staff must specify its justification and legal basis for making this recommendation.

Signed at Austin, Texas the 28 day of October 2020.
