**ORDER NO. 11
REQUESTING RESPONSE**

This Order addresses Commission Staff's August 13, 2021 recommendation on further processing of the application and motion to restyle. Commission Staff stated they have determined that processing this application as a sale, transfer, or merger is not necessary as prescribed under 16 Texas Administrative Code (TAC) § 24.239. Further, Commission Staff recommended that this application would be more appropriately reviewed and considered under 16 TAC § 24.249, which addresses the cessation of operations by a retail public utility. Commission Staff also requested restyling of this docket to reflect the above change.

After review of the recommendation, the administrative law judge requests that the applicants file a response to Commission Staff's recommendation, and specifically address the effective date required by 16 TAC § 24.249(a)(2), on or before August 26, 2021. Restyling of the docket, if deemed appropriate, will be considered in a future order.

Signed at Austin, Texas the 19 day of August 2021.
