PUBLIC UTILITY COMMISSION
FILING CLERK

Per our conversation the City of Hempstead is purchasing the CCN Water Rights from G&W WSC for Jones Rd and Hwy 290 Docket No 51359. G&W WSC does not have waterlines in the area, the City of Hempstead has an 12" Water Line across Hwy 290. The property at this time has not been developed. The City of Hempstead plans to use budget money to run water to said property. There are no violation of the property that the City of Hempstead is aware of.
