PUBLIC UTILITY COMMISSION  
OF TEXAS

**ORDER NO. 3  
GRANTING EXTENSION AND REVISING DEADLINES**

This Order addresses Commission Staff's November 13, 2020, request to extend the deadlines to file comments regarding Munson Point Property Owner's Associations' application and proposed notice, and address clarifications for continued processing. Commission Staff states that it is working with the representative for Munson Point to gain a better understanding of its application and current tariff and that more time is needed to continue such discussions.

The administrative law judge grants Commission Staff's request for extension. By December 16, 2020, Commission Staff must file comments on the administrative completeness of the application and proposed notice. Additionally, Commission Staff must file clarifications regarding processing. Specifically, it is unclear whether (1) this application contains more than a single application; (2) severance may be appropriate; and (3) de-docketing as to the requested pass through is appropriate.

**Signed at Austin, Texas the 16th day of November 2020.**
