**ORDER NO. 6
GRANTING EXTENSION**

This Order addresses East Crawford Water Supply Corporation and North Bosque Water Supply Corporation's February 16, 2021 request for extension to cure the deficiencies of the application. The applicants state more time is needed because of the unprecedented winter storm event. Power outages have slowed or eliminated the applicants' ability to compile the updated mapping and agreements.

The administrative law judge grants the extension. On or before February 26, 2021, the applicants must supplement the application to cure the deficiencies. On or before March 22, 2021, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 18th day of February 2021.
