**ORDER NO. 11
GRANTING EXTENSION**

This Order addresses East Crawford Water Supply Corporation and North Bosque Water Supply Corporation's June 28, 2021 request for extension to cure the deficiencies of the application. The applicants state additional time is needed to complete mapping in accordance with forthcoming guidance from Commission Staff. Further, the applicants continue to pursue a dual certification agreement and consent to serve from the City of Waco. Waco's counsel emailed the applicants on June 24, 2021, to communicate that Waco will be unavailable to respond or update the applicants through the end of August 2021. Commission Staff is unopposed to the request.

The administrative law judge grants the extension. On or before September 28, 2021, the applicants must supplement the application to cure the deficiencies. On or before October 28, 2021, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 30th day of June 2021.
