CCN Holder's Motion to Intervene

To the Honorable Judge Siemankowski,

My client, G & W Water Supply Corporation, is the CCN holder and Intervenor in the above-referenced docket. On March 11, your March 10, 2021 Memorandum transmitting your proposed order to the Commissioners was filed. The Memorandum sets March 3 as the deadline for exceptions. It appears to be an error since the date falls a week prior to when the Memorandum was written. Will you please clarify the deadline for exceptions?

Sincerely,

Mary K. Sahs
