Re: Dos Aguas Water System (Docket No. 51407)
Owner: Dos Aguas, LLC
SPE Job No. 1100

Dear Ms. Garcia,

This letter is notification of coordination between Spear Point Engineering LLC, on behalf of Dos Aguas LLC, and the Texas Commission on Environmental Quality (TCEQ) for engineering review of the Dos Aguas Water System in accordance with TCEQ Rule 290. Supporting documents and information for the aforementioned submittal package to TCEQ included the following :

- TCEQ Core Data Form - 10400
- TCEQ Plan Review Submittal Form - 10233
- Dos Aguas Water Company - Demonstration of Adequate Financial Ability Form
- Dos Aguas, LLC - Business Plan
- Dos Aguas Water System One Line Plans
- Dos Aguas Water System Distribution Design and Specifications
- Dos Aguas Water Plant No.1 - Plant Set
- Dos Aguas Water Plant No.1 – Engineering Report
- Dos Aguas Water Plant No.1 – Potential Pollution Hazards Study
- Dos Aguas Water Plant No.2 - Plant Set
- Dos Aguas Water Plant No.2 – Engineering Report
- Dos Aguas Water Plant No.2 – Potential Pollution Hazards Study

Should any additional questions or concerns arise, please contact myself (936-718-1998) or Michael Mathena, P.E (936-207-9984) at this office.

Sincerely,

Jerry McCrorey
