**ORDER NO. 9  
REQUIRING AMENDED APPLICATION AND  
PROPOSED PROCEDURAL SCHEDULE**

This Order addresses the application of Dos Aguas, LLC for a certificate of convenience and necessity (CCN) in Walker, Montgomery, and San Jacinto counties. In accordance with the Commission's order remanding this proceeding to docket management, by May 27, 2022, Dos Aguas must file an amended application with the following information:

1. The number of connections that it has the current capacity to serve with plant one;
2. The location of the connections it has the facilities and capacity to serve with plant one;
3. The total number of acres in the revised service area that Dos Aguas has the capacity to serve with plant one; and
4. Mapping information for the revised requested area required by Commission rules and needed by Commission Staff to create the applicable CCN service area map.

Additionally, if Dos Aguas receives the final approval for public use letter from the Texas Commission on Environmental Quality for plant one while this proceeding is being processed, Dos Aguas must file such letter in this docket in accordance with 16 Texas Administrative Code § 24.233(a)(14)(A).

By June 1, 2022, the parties must confer and file a proposed procedural schedule for further processing of this docket.

Signed at Austin, Texas the 25th day of April 2022.
