**SOUTHWESTERN ELECTRIC POWER COMPANY'S SUPPLEMENTAL RESPONSE  
TO EASTMAN CHEMICAL COMPANY'S THIRD REQUESTS FOR INFORMATION**

**Question No. Eastman 3-1:**

Referring to SWEPCO's response to TIEC 13-8, please provide the following information regarding the January 10, 2018 conference call between SPP Staff members and the FERC Staff members:

- a. Was Charles J. Locke in attendance on this conference call?
- b. If the answer to (a) is no, identify any and all persons from whom the information provided in response to TIEC 13-8 was obtained and how the information was obtained by Mr. Locke.
- c. Provide any correspondence and/or documents related to and/or discussed during this conference call.
- d. What was the duration of this conference call?
- e. During this conference call, was FERC's PURPA Rule for standby service (18 C.F.R. § 292.305(c)(i)) raised or discussed?
- f. If the answer to (e) is yes, explain whether and how the FERC Staff present at this conference call harmonized FERC's PURPA Rule for Standby Service with the guidance the FERC Staff provided to the SPP Staff members as reflected in SWEPCO's response to TIEC 13-8.

**Supplemental Response No. Eastman 3-1:**

- a. No.
- b. Mr. Locke became aware of the results of the meeting referenced in response to TIEC 13-8 while he was reading SPP's draft response to a similar RFI in Docket No. 49831. SPP does not have records of persons from whom the information provided in response to TIEC 13-8 was obtained other than those identified in that response.
- c. Please see Eastman 3-1 Attachment 1. SPP continues to review its records and will supplement this data request if additional responsive information is identified.
- d. The meeting lasted approximately 1 hour. As noted in the response to TIEC 13-8, the meeting was in person at FERC.
- e. No.
- f. N/A.
