Effective October 1, 2019, the Federal Universal Service Charge (FUSC) on your bill will increase as a result of an increase in the Federal Communications Commission's (FCC) Universal Service Fund contribution factor from 24.4% to 25%. The FUSC is calculated in accordance with FCC rules by applying the new contribution factor of 25% (0.25) to the charges for interstate services. The Federal Universal Service Fund helps to ensure access to affordable communication services in hard-to-serve rural areas of the United States. If you have any questions regarding the FUSC, please contact the FCC at 1-888-225-5322 or email: fccinfo@fcc.gov.

Effective October 1, 2019, the Federal Universal Service Charge (FUSC) on your bill will increase as a result of an increase in the Federal Communications Commission's (FCC) Universal Service Fund contribution factor from 24.4% to 25%. The FUSC is calculated in accordance with FCC rules by applying the new contribution factor of 25% (0.25) to the charges for interstate services. The Federal Universal Service Fund helps to ensure access to affordable communication services in hard-to-serve rural areas of the United States. If you have any questions regarding the FUSC, please contact the FCC at 1-888-225-5322 or email: fccinfo@fcc.gov.
