TARIFF CONTROL NO. 51438

APPLICATION OF BLESSING MOBILE § PUBLIC UTILITY COMMISSION
HOME PARK FOR PASS THROUGH §
RATE CHANGE § OF TEXAS

REQUIRING CLARIFICATION FROM PARTIES

This Order addresses the need for clarification from Commission Staff and the applicant regarding the applicant’s tariff and application.

The application materials indicate that the City of Round Rock has contracted with R&R Mobile Joint Venture to provide water and that the increased costs detailed in that contract are the catalyst for the need for a pass through rate change. However, Blessing Mobile Home Park is named as the applicant and the utility named on the proposed tariff is Blessing-Stonegate, L.P. dba Blessing Mobile Home Park. The application fails to establish the relationship between Blessing-Stonegate, L.P. or Blessing Mobile Home Park and R&R Mobile Joint Venture.

Additionally, the notice included in the application appears to be a draft notice and there have been no additional filings to indicate that notice has been provided.

By January 11, 2021, the parties must clarify the relationship between Blessing MHP and R&R and provide the date on which notice was provided.

Signed at Austin, Texas the 30 day of December 2020.
