PUBLIC UTILITY COMMISSION
OF TEXAS
FILING CLERK

**ORDER NO. 4
GRANTING EXTENSION AND EXTENDING
DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses the City of Brenham's March 5, 2021 request to extend the deadline to cure deficiencies. The City of Brenham states that additional time is needed to properly cure deficiencies.

The administrative law judge grants the City of Brenham's request for extension.

By April 5, 2021, the City of Brenham must supplement the application to cure the deficiencies described in Jolie Mathis' January 25, 2021 memorandum. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

By May 3, 2021, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 8 day of March 2021.
