COMMISSION STAFF’S REQUEST FOR EXTENSION

On November 4, 2020, Chester Maples dba Old Highway 90 Water Service (Old Highway 90) filed an application to amend water certificate of convenience and necessity (CCN) number 12975 in Medina and Frio counties. The amendment proposes to add 994 acres.

On March 18, 2021, the administrative law judge filed Order No. 6, requiring the Staff of the Public Utility Commission of Texas (Staff) to file a supplemental recommendation on administrative completeness of the application by April 30, 2021. Therefore, this pleading is timely filed.

I. REQUEST FOR EXTENSION

Under 16 Texas Administrative Code § 22.4(b), Staff may request that the time allowed for filing any documents be extended for good cause. Old Highway filed supplemental mapping information on April 14, 2021. Staff needs additional time to review those maps. Therefore, Staff respectfully requests an extension of time until May 14, 2021 to file its supplemental recommendation on administrative completeness of the application.

II. CONCLUSION

Staff respectfully requests the issuance of an order extending the deadline for Staff to file its supplemental recommendation on administrative completeness of the application until May 14, 2021.
