The Summer Food Service Program (SFSP) is a U.S. Department of Agriculture nutrition program administered in the Lone Star State by the Texas Department of Agriculture (TDA). For the

children who rely on school meals during the academic year, these meals offer a source of good nutrition when school is out for the long summer vacation.

"Natalia children need good nutrition year-round so they can learn, grow and succeed in life," said Tanya Rodriguez, Child Nutrition Director. "With

nearly 2 million food-insecure children living in Texas, these healthy meals are vital to nourishing young Texans during the summer vacation."

"Breakfast, 8 am to 9 am and Lunch, 12 pm to 1pm Monday through Friday June 7th until July 2nd at the Natalia High School Cafeteria." Meals provided free for:

Children ages 18 years and

younger, and

Students up to 21 enrolled in a special education program.

Natalia ISD is one of the non-profit organizations partnering with TDA to serve meals across Texas. Families are encouraged to use these three tools to find a meal site anywhere in the state:

Call 2-1-1 to speak to a live operator

Visit www.SummerFood.org for an interactive site locator map

Text FOODTX or COMIDA to 877-877

Organizations partner with TDA to serve meals in areas where more than 50 percent of children are eligible for free or reduced-price meals in the National School Lunch Program. Eligible sponsoring organizations include schools, faith-based groups, nonprofit summer camps, government agencies, and other tax-exempt organizations. All meal sites must be sponsored by an organization that has a contract with TDA.

Summer meal sites help children succeed by providing the nourishment they need to return to school in the fall ready to thrive.

Sales Tax Holidays for Water-Efficient and ENERGY STAR® Products Set for May 29-31

AUSTIN — Texas Comptroller Glenn Hegar is reminding families and businesses that they can save on the purchase of certain water- and energy-efficient products during the state's Water-Efficient Products and ENERGY STAR® sales tax holidays.

The holidays, created by the Texas Legislature, both take place Saturday, May 29,

through Monday, May 31. The Texas Comptroller's office estimates shoppers will save about \$13.4 million in state and local sales tax.

"Outdated water systems and inefficient appliances, along with triple-digit temperatures, can put a tremendous strain on our water supplies and power grids," Hegar said. "By taking advantage of these sales

tax holidays, Texans can make upgrades that will help alleviate those pressures and lower their utility bills — while saving money on state and local sales taxes."

This is the sixth year for the Water-Efficient Products Sales Tax Holiday. Products displaying a WaterSense® label or logo can be purchased tax free for personal or business use. These

include showerheads, bathroom sink faucets and accessories, toilets, urinals and landscape irrigation controls.

The sales tax holiday also applies to lawn and garden products that help conserve water outdoors. Items qualifying for the exemption include soaker or drip-irrigation hoses; moisture controls for sprinkler or irrigation systems; mulch; and plants, trees and grasses. These items can be purchased tax free for residential use only.

There's no limit to the number of water-efficient or water-conserving products you can purchase tax free. For more information on the Water-Efficient Products Sales Tax Holiday, visit the Comptroller's website.

During the ENERGY STAR Sales Tax Holiday, certain energy-efficient products displaying the ENERGY STAR logo can be purchased tax free, including air conditioners priced at \$6,000 or less, refrigerators priced at \$2,000 or less, ceiling fans, fluorescent light bulbs, dishwashers, dehumidifiers and clothes washing machines.

Visit the Comptroller's website for more ENERGY STAR Sales Tax Holiday details.
