GRANTING MOTION TO INTERVENE

This Order addresses Yancey Water Supply Corporation's June 21, 2021 motion to intervene. Yancey WSC stated it has agreed to provide service to the area sought under the Petition, which is located near Yancey WSC's existing certificated service area, and that it has a justiciable interest in the outcome of this proceeding.

No party objected to the above-referenced motion. Accordingly, the administrative law judge grants the motion.

At this time, no finding on the sufficiency of notice has been made. A deadline for a response to the Petition will be established at a later date.

For service of pleadings, the service list in this proceeding is available from the Public Utility Commission of Texas by contacting Ms. Ruby Hicks at ruby.hicks@puc.texas.gov and requesting a copy of the service list in Docket No. 51488. **Service of pleadings is typically governed by 16 Texas Administrative Code (TAC) § 22.74. However, the Commission has issued a Second Order Suspending Rules,¹ which has suspended certain service requirements found in 16 TAC § 22.74. Accordingly, a filing party must provide notice by e-mail of any pleading or document filed. It will be incumbent upon all other parties to obtain a copy of the pleading or document by accessing the Interchange.**

All parties must provide their current address, **e-mail address**, telephone and fax numbers, if available, to all other parties and the Commission by filing and serving all parties with such information. telephone and fax numbers will be placed on the service list for the convenience of the parties. Parties are responsible for updating their own service lists to reflect changed information and the addition of any other parties.

Filing of pleadings is typically governed by 16 TAC § 22.71. However, the Commission's Second Order Suspending Rules suspended certain filing requirements found in 16 TAC § 22.71. As long as the Second Order Suspending Rules remains in effect, all parties must file any pleading or document with the Commission solely through the Interchange on the Commission's website (<https://interchange.puc.texas.gov/filer>) and provide notice, by e-mail, to all other parties that the pleading or document has been filed with the Commission, unless otherwise ordered by the presiding officer. It will be incumbent upon all other parties to obtain a copy of the pleading or document by accessing the Interchange.

Signed at Austin, Texas the 30 day of June 2021.
