RE: SAND HURST Subdivision CCN 12975, PUC #51488 OLD HIGHWAY 90 WATER SYSTEM.

Dear Sirs and Ladies,

I represent the owners of SAND HURST subdivision on I35 in Devine. We have been working on this project since 2004. The majority of that time was spent trying to secure water to Sand Hurst. We have had too many dealings with YANCY WATER SUPPLY COMPANY. They have not been good. We will never deal with YANCY WATER SUPPLY COMPANY again. Our money will not be sent to YANCY WATER SUPPLY COMPANY to upgraded their water system to include Sand Hurst. If we are forced to do this then Sand Hurst will be cancelled and not be completed.

Please dismiss YANCY WATER SUPPLY COMPANY's claim and any application for a CCN for the land we own. Please let OLD HIGHWAY 90 WATER SERVICE have the CCN for SAND HURST SUBDIVISION.
We will pay for the upgrade of OLD HIGHWAY 90 WATER SERVICE'S system.

Sincerely,

Beau S. King
