--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------	------------------------------------------------------------------------

REQUEST FOR A PREHEARING CONFERENCE

Pursuant to the State Office of Administrative Hearings (“SOAH”) Order No. 3 issued on August 25, 2022, Yancey Water Supply Corporation (“YWSC”), a Texas retail public utility, non-profit water supply corporation and protestant intervenor in this proceeding, files this Request for a Prehearing Conference:

I. BACKGROUND

On August 25, 2022, the Administrative Law Judge issued SOAH Order No. 3, ordering the parties to confer and submit an agreed proposed procedural schedule or request a prehearing conference by September 15, 2022.

II. REQUEST FOR PREHEARING CONFERENCE

YWSC and Public Utility Commission of Texas Staff (“Staff”) conferred and came to an agreement on the procedural schedule, but at this time have been unable to establish an agreed upon procedural schedule with Old Highway 90 Water Company. Accordingly, YWSC requests a prehearing conference and will continue to work with Staff and Old Highway 90 Water Company to identify and remediate any outstanding scheduling issues.

III. CONCLUSION

For the reasons set above, the YWSC respectfully request the entry of an order setting a prehearing conference for the week of October 3, 2022, or sometime thereafter.

Respectfully submitted,
