PUBLIC UTILITY COMMISSION
OF TEXAS

**ORDER NO. 2
FINDING APPLICATION ADMINISTRATIVELY
COMPLETE AND ACCEPTED FOR FILING**

This Order addresses Commission Staff's recommendation, filed on December 28, 2020, regarding the administrative completeness of Orbit Systems, Inc.'s application. Commission Staff recommended that the application be found administratively complete and accepted for filing.

The administrative law judge (ALJ) finds Orbit Systems' application administratively complete and accepted for filing. The ALJ establishes an effective date of the rate increase of February 10, 2021.

Under 16 Texas Administrative Code § 24.49(e), Orbit Systems is required to provide notice to each ratepayer after it receives a written notice of approval issued by the Commission and at least 30 days before the effective date of the proposed rate change. Because a notice of approval has not yet been issued, the ALJ instructs Orbit Systems not to provide notice to ratepayers until a notice of approval is issued in the present docket.

Signed at Austin, Texas the 29 day of December 2020.
