RE: Docket No. 51555

Good morning:

I wanted to check with you on the status of Docket No. 51555. Specifically, under Item IV Proposed Procedural Schedule of the Commission Staff's Recommendation on Administrative Completeness, Notice, and Final Disposition, it states a deadline of January 11, 2021 for me to provide notice to customers with an effective date of February 10, 2021. Order No. 2 states the same effective date of February 10, 2021. This means that I need to meet the deadline of providing notice to my customers by January 11, 2021.

Can you please provide me with the date that I should expect the "Notice of Approval" and approved public notice so that I may get this notice to my customers in a timely manner?

Thank you for your assistance.

Regards,
