**ORDER NO. 4
GRANTING SECOND EXTENSION AND REVISING
DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses Monarch Utilities I L.P.'s March 3, 2021 second request for extension of time to supplement the application to cure deficiencies and for Commission Staff to file a supplemental recommendation regarding administrative completeness. Monarch states that additional time is needed to finalize the documentation needed to address the application's deficiencies. Monarch represents that Commission Staff is not opposed to the request.

The administrative law judge grants Monarch's second request for extension.

By March 18, 2021, Monarch must supplement the application to cure the deficiencies described in Jolie Mathis' January 4, 2021 memorandum. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

By March 25, 2021, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 4th day of March 2021.
