AFFIDAVIT OF CLOSING

TEXAS PUBLIC UTILITY COMMISSION
DOCKET NO. 51610

STATE OF TEXAS

COUNTY OF KAUFMAN

AFFIDAVIT OF CLOSING

BEFORE ME, the undersigned authority, on this day personally appeared Brian Andrews, President of Markout Water Supply Corporation, a non-profit water supply corporation ("Seller"), personally known to me to be the person whose name is subscribed hereto and upon his/her oath deposed and stated that:

"I am a citizen of the United States, of legal age, and have never been known by any other name than set out below; I am Brian Andrews, President of Markout Water Supply Corporation, authorized agent of Seller, and am authorized to make this affidavit on its behalf.

Seller and City of Mesquite ("Buyer") entered into that certain Water System Asset Transfer Agreement dated effective as of October 29, 2020 ("Contract"), which provided for the sale and transfer to Buyer of Seller's water supply system, consisting of real property rights, easements, pipelines and related infrastructure and personal property as more fully described in the Contract (collectively the "Assets"), located within or to serve the area designated by the Commission under Water CCN No. 10846 ("Transfer Area").

Pursuant to the terms of the Contract the Seller has agreed that upon closing it will decertify and transfer the Transfer Area within its CCN No. 10846 to Buyer so that Buyer may amend its CCN No. 10060, to the extent required or necessary, in order to include the Transfer Area in accordance with Chapter 13 of the Texas Water Code.

The sale and transfer to the Buyer of Seller's water supply system, the decertification of Seller's CCN No. 10846, and the transfer of the Transfer Area to Buyer shall be collectively referred to as the "Transfer."

In addition, after the receipt by the Public Utility Commission ("PUC") of the applicable closing documents, Seller understands that PUC staff will prepare proposed maps, certificates, and recommendations for both the Seller and the Buyer to review and approve before their submittal to the PUC for approval of the Transfer; provided, however, that Seller understands that it has the right to grant the Buyer the right to consent to the proposed maps, certificates and recommendations on behalf of the Seller.

The Seller hereby certifies that (i) as of the date hereof all of the water supply system and the Assets have been sold to Buyer in accordance with the terms of the Contract, (ii) Seller concurs with the Transfer under the applicable provisions of Chapter 13 of the Texas Water Code, (iii) Seller agrees that the PUC may take action to decertify the Transfer Area from Seller and recertify the Transfer Area to the Purchaser; and (iv) Seller has granted Buyer the authority to provide the necessary Seller's consent to PUC with respect to the proposed maps, certificates and the recommendation for decertification, and approval and issuance of any CCN necessary to effectuate the Transfer, and hereby authorizes the PUC to effectuate the Transfer upon receipt of Buyer's signed consent form without the further involvement of Seller, including, but not limited to, executing all necessary consent documents on behalf of the Seller.

Executed this 16th day of August, 2021."
