Not applicable, because Bills are based on the tenant's actual submetered consumption										
There are <u>neither</u> common areas <u>nor</u> an installed irrigation system										
All common areas and the irrigation system(s) are metered or submetered:										
We deduct the actual utility charges for water and wastewater to these areas then allocate the remaining charges among										
our tenants.										
This property has an installed irrigation system that is <u>not</u> separately metered or submetered:										
We deduct percent (we deduct at least 25 percent) of the utility's total charges for water and wastewater										
consumption, then allocate the remaining charges among our tenants.										
X This property has an installed irrigation system(s) that <u>is/are</u> separately metered or submetered:										
We deduct the actual utility charges associated with the irrigation system(s), then deduct at least 5 percent of the utility's										
total charges for water and wastewater consumption, then allocate the remaining charges among our tenants.										
This property does <u>not</u> have an installed irrigation system:										
We deduct at least 5 percent of the retail public utility's total charges for water and wastewater consumption, and then										
allocate the remaining charges among our tenants.
