If applicable, describe the "multiple-use facility" here:												
INFORMATION ON UTILITY SERVICE												
Tenants are billed for X Water X Wastewater X Submetered OR Allocate								llocated ★★★				
Name of utility providing water/wastewater City of Houston TX												
Date submetered or allocated billing begins (or began) 03/01/2020 Required												
METHOD USED TO OFFSET CHARGES FOR COMMON AREAS Check one line only.												
X Not applicable, because X Bills are based on the tenant's actual submetered consumption												
There are <u>neither</u> common areas <u>nor</u> an installed irrigation system												
All common areas and the irrigation system(s) are metered or submetered:												
We deduct the actual utility charges for water and wastewater to these areas then allocate the remaining charges among												
our tenants.												
This property has an installed irrigation system that is not separately metered or submetered:												
We deduct percent (we deduct at least 25 percent) of the utility's total charges for water and wastewater												
consumption, then allocate the remaining charges among our tenants.												
This property has an installed irrigation system(s) that <u>is/are</u> separately metered or submetered:												
We deduct the actual utility charges associated with the irrigation system(s), then deduct at least 5 percent of the utility's												
total charges for water and wastewater consumption, then allocate the remaining charges among our tenants.												
This property does <u>not</u> have an installed irrigation system:												
We deduct at least 5 percent of the retail public utility's total charges for water and wastewater consumption, and then allocate the remaining charges among our tenants.												
anocate the temaning charges among our tenants.												
★★★IF UTILITY SERVICES ARE ALLOCATED, YOU MUST ALSO COMPLETE PAGE TWO OF THIS FORM ★★★												
Send this form by mail with a total of (3) copies to:
