All common areas and the irrigation system(s) are metered or submetered:				
We deduct the actual utility charges for water and wastewater to these areas then	allocate the remaining charges among			
our tenants.				
This property has an installed irrigation system that is not separately metered				
We deduct 25 percent (we deduct at least 25 percent) of the utility's total	al charges for water and wastewater			
consumption, then allocate the remaining charges among our tenants.				
This property has an installed irrigation system(s) that <u>is/are</u> separately metere				
We deduct the actual utility charges associated with the irrigation system(s), then deduct at least 5 percent of the utility's				
total charges for water and wastewater consumption, then allocate the remaining	charges among our tenants.			
This property does not have an installed irrigation system:				
We deduct at least 5 percent of the retail public utility's total charges for water and wastewater consumption, and then				
allocate the remaining charges among our tenants.
