There are <u>neither</u> common areas <u>nor</u> an installed irrigation system								
All common areas and the irrigation system(s) are metered or submetered:								
We deduct the actual utility charges for water and wastewater to these areas then allocate the remaining charges among								
our tenants.								
This property has an installed irrigation system that is <u>not</u> separately metered or submetered:								
We deduct percent (we deduct at least 25 percent) of the utility's total charges for water and wastewater								
consumption, then allocate the remaining charges among our tenants.								
X   This property has an installed irrigation system(s) that <u>is/are</u> separately metered or submetered:								
We deduct the actual utility charges associated with the irrigation system(s), then deduct at least 5 percent of the utility's								
total charges for water and wastewater consumption, then allocate the remaining charges among our tenants.								
This property does not have an installed irrigation system:								
We deduct at least 5 percent of the retail public utility's total charges for water and wastewater consumption, and then								
allocate the remaining charges among our tenants.
