APPLICATION OF EAST HOUSTON §  
UTILITIES TO AMEND ITS §  
CERTIFICATE OF CONVENIENCE §  
AND NECESSITY IN HARRIS COUNTY §

PUBLIC UTILITY COMMISSION  
OF TEXAS

**ORDER NO. 5  
FINDING APPLICATION ADMINISTRATIVELY INCOMPLETE AND  
REQUIRING STATUS REPORT**

This Order addresses the June 2, 2021 request of East Houston Utilities to keep this docket open in response to Commission Staff’s motion to dismiss. East Houston stated they are still working on the development plan.

The administrative law judge continues to find the application administratively incomplete and directs East Houston to work with Commission Staff to cure the deficiencies of the application described in the January 11, 2021 memorandums of Fred Bednarski and Patricia Garcia. On or before June 18, 2021, East Houston and Commission Staff must file a status report describing the measures East Houston has taken to resolve the deficiencies, and what deficiencies still need to be resolved.

Further, East Houston must fully cure the deficiencies of the application on or before July 2, 2021. By July 23, 2021, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application and propose a procedural schedule, if appropriate.

**Signed at Austin, Texas the 3 day of June 2021.**
