DOCKET NO. 51614

**APPLICATION OF EAST HOUSTON §
UTILITIES TO AMEND ITS §
CERTIFICATE OF CONVENIENCE §
AND NECESSITY IN HARRIS COUNTY §**

**PUBLIC UTILITY COMMISSION
OF TEXAS**

**ORDER NO. 6
GRANTING EXTENSION**

This Order addresses Commission Staff's status report and request for an extension filed on June 16, 2021. Commission Staff stated East Houston Utilities requires additional time to obtain the information and documents necessary to cure the identified deficiencies of the application. Specifically, East Houston will not be able to provide much of the required information until after East Houston closes on the sale of the property it proposes to add to its certificate of convenience and necessity; the expected closing date of the transaction is July 27, 2021. Commission Staff represents that East Houston is unopposed to this status report.

The administrative law judge grants the extension. By August 17, 2021, East Houston must fully cure the deficiencies of the application. On or before September 16, 2021, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application and propose a procedural schedule, if appropriate.

Signed at Austin, Texas the 18 day of June 2021.
