**APPLICATION OF EAST HOUSTON § PUBLIC UTILITY COMMISSION
UTILITIES TO AMEND ITS §
CERTIFICATE OF CONVENIENCE § OF TEXAS
AND NECESSITY IN HARRIS COUNTY §**

**ORDER NO. 12
FINDING APPLICATION ADMINISTRATIVELY INCOMPLETE,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses the administrative completeness of the application of East Houston Utilities to amend its water certificate of convenience and necessity in Harris County.

The administrative law judge (ALJ) continues to find the application administratively incomplete and insufficient for further review in accordance with 16 Texas Administrative Code (TAC) § 24.8(b).

Under 16 TAC § 24.8(d), the Commission does not consider an application filed until it finds the application administratively complete. Thus, at this time the application is not considered filed with the Commission.

By May 2, 2022, East Houston must supplement the application to cure the deficiencies described in the March 30, 2022 memorandums of Fred Bednarski, Kathryn Eiland, and Patricia Garcia. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

By June 2, 2022, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

The ALJ encourages Commission Staff and the applicant to communicate to resolve the deficiencies described in the March 30, 2022 memorandums of Commission Staff.

Signed at Austin, Texas the 5th day of April 2021.
