**ORDER NO. 6
ABATING PROCEDURAL SCHEDULE AND ESTABLISHING DEADLINE FOR
STATUS OR REQUEST**

This Order addresses Commission Staff's April 19, 2021, motion to abate this proceeding. Due to conflicting claims as to the utility that will purchasing Terra Southwest, Commission Staff requests the abatement of the current proceeding to allow Terra Southwest, Undine, and CSWR to either withdraw this application or the notice of intent filed in Project No. 49859.¹

The administrative law judge grants Commission Staff's request to abate this proceeding, and suspends the deadlines established in Order No. 5. On or before June 19, 2021, the parties must file either a status report or a request that the case be unabated for continued processing.

Signed at Austin, Texas the 20th day of April 2021.
