**ORDER NO. 7
CONTINUING ABATEMENT AND ESTABLISHING DEADLINE
FOR STATUS OR REQUEST**

This Order addresses Undine Texas, LLC's June 21, 2021, motion to continue to abate this proceeding. Undine indicates that Commission Staff, Terra Southwest, Inc., and Intervenor, CSWR-Texas Utility Operating Company, LLC do not oppose the motion to continue to abate the proceeding. The parties report that the issues that precipitated the request for abatement remain unresolved, but that the parties continue to pursue resolution of those issues. Parties move to continue the abatement of this proceeding until the applicants are ready to move forward with the transaction.

The administrative law judge grants the request to continue to abate this proceeding. On or before December 17, 2021, the parties must file either a status report or a request that the case be unabated for continued processing.

Signed at Austin, Texas the 23rd day of June 2021.
