**ORDER NO. 8  
GRANTING EXTENSION, ESTABLISHING AN OPPORTUNITY  
TO CURE AND REVISING DEADLINES**

This Order addresses the May 7, 2021 request by Waters of Vista Ranch Water Supply Corporation and Aqua Water Supply Corporation (collectively, applicants) to extend the deadlines to cure application deficiencies and for Commission Staff to file a supplemental recommendation regarding application sufficiency. The applicants state that they are coordinating with Commission Staff to develop and finalize revised mapping documents.

The administrative law judge grants the request for extension.

On or before May 19, 2021, the applicants must supplement the application to cure the deficiencies as described in the April 8, 2021 memorandum of Jolie Mathis. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicants must not issue notice until the application is deemed administratively complete.

On or before June 18, 2021, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.
