ADMINISTRATIVELY COMPLETE AND NOTICE SUFFICIENT

This Notice addresses the December 22, 2020 application filed by Community Water Company for approval of a proposed pass-through rate change.

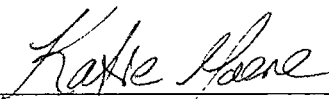

On January 19, 2021, Commission Staff recommended that the application be found administratively complete and notice sufficient because Community Water’s application contains all of the necessary information required by 16 Texas Administrative Code § 24.25(b)(2)(F) and the affected customers have been appropriately informed of the proposed rate change.

The administrative law judge (ALJ) finds Community Water’s application administratively complete and notice provided by Community Water sufficient. The ALJ adopts the following procedural schedule:

Event	Date
Deadline for intervention	February 9, 2021
If no hearing is requested, deadline for parties to file joint proposed findings of fact and conclusions of law	March 1, 2021

Signed at Austin, Texas the 21 day of January 2021.
