RECOMMENDATION ON SUFFICIENCY OF NOTICE

On December 28, 2020, the City of Anna (Anna) filed an application to amend its sewer certificate of convenience and necessity (CCN) number 20898 in Collin County, Texas. The requested service area consists of 105 acres with no current customers. On January 7, 2021, March 24, 2021, and April 8, 2021, Anna filed supplemental information.

On April 28, 2021, the administrative law judge (ALJ) filed Order No. 4, requiring Staff (Staff) of the Public Utility Commission (Commission) to file a recommendation on sufficiency of notice and propose a supplemental procedural schedule by June 24, 2021. Therefore, this pleading is timely filed.

I. RECOMMENDATION

Anna filed proof of notice on June 4, 2021 and June 22, 2021. Staff has reviewed the signed affidavits attesting that: (1) a copy of the notice provided by Anna, along with a map, was sent to neighboring utilities and other affected parties, consistent with Staff's recommendation on administrative completeness; and (2) that the notice was published in a newspaper of general circulation in Collin County for two consecutive weeks. Staff recommends that the notice be found sufficient.

II. PROPOSED PROCEDURAL SCHEDULE

In accordance with the preceding sufficiency recommendation, Staff proposes the following procedural schedule:

Event	Date
Notice completed	June 21, 2021
Deadline for intervention	July 21, 2021
Deadline for Staff to provide final maps, certificates, and tariffs (if applicable) to Anna for review and consent	August 20, 2021

Deadline for Anna to file signed consent forms with the Commission	September 3, 2021
Deadline for Staff to request a hearing, or if no hearing is requested, deadline for Staff to file a final recommendation on the application	September 14, 2021
If no hearing is requested, deadline for the parties to file joint proposed findings of fact, including findings that address the factors in Texas Water Code § 13.246(c), and conclusions of law	September 24, 2021

III. CONCLUSION

Staff respectfully requests the adoption of the procedural schedule proposed above and the issuance of an order consistent with the foregoing recommendation.
