GRANTING MOTION TO ABATE AND ABATING PROCEEDING**

This Order addresses the application of the City of Anna and Commission Staff's request for abatement filed on December 1, 2021.

Commission Staff stated that City of Anna is awaiting a Texas Commission on Environmental Quality (TCEQ) approval letter for the sewer distribution system to be installed to serve customers in the requested CCN amendment area. The parties request abatement until the TCEQ approval letter is issued and filed with the Commission.

The administrative law judge grants the motion and this proceeding is abated. By January 6, 2022, and continuing monthly thereafter, the parties must file a status report regarding the status of the TCEQ approval letter.
