REQUESTING CLARIFICATION**

On May 14, 2021, Commission Staff filed its supplemental recommendation on administrative completeness. Commission Staff recommended that Integra Water provide notice using the notice form attached to Commission Staff’s recommendation. After reviewing the general location map submitted as an attachment to Integra Water Texas, LLC’s second response to Order No. 2 and supplement to application, the administrative law judge has been unable to determine whether the requested area is in fact approximately bounded on the north by County Road 92 and on the west by the intersection of Doyle Overton Road and Longhollow Road.

By May 28, 2021, Commission Staff must confirm whether the requested area is approximately bounded on the north by County Road 92 and on the west by the intersection of Doyle Overton Road and Longhollow Road.
